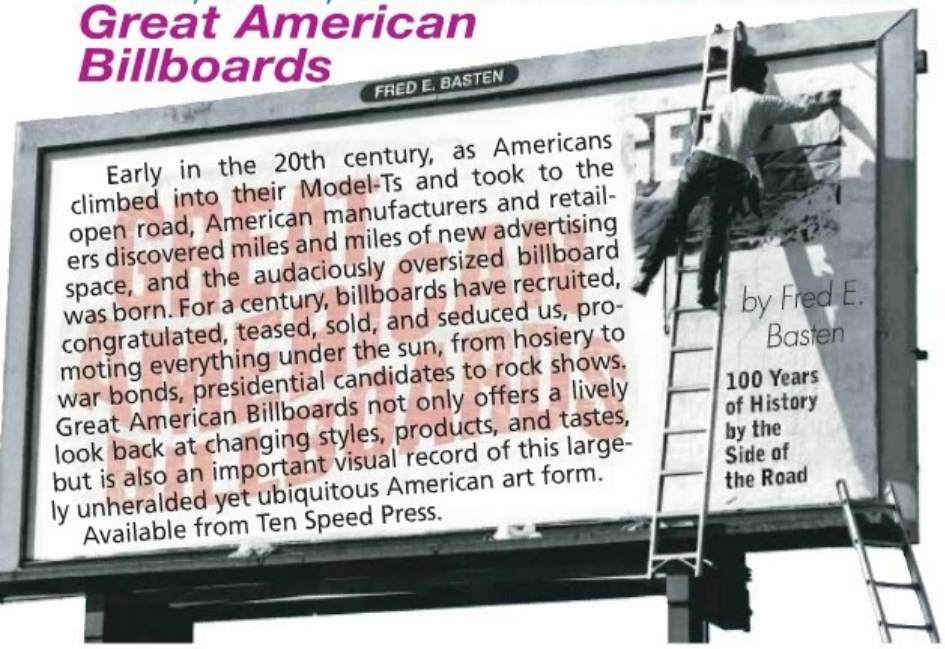
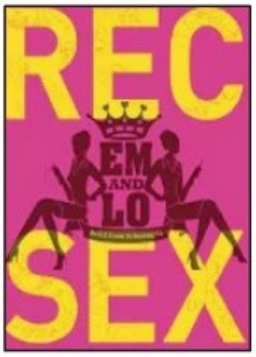
SIGN, SIGN, EVERYWHERE A SIGN.
Great American Billboards



Early in the 20th century, as Americans climbed into their Model-Ts and took to the open road, American manufacturers and retailers discovered miles and miles of new advertising space, and the audaciously oversized billboard was born. For a century, billboards have recruited, congratulated, teased, sold, and seduced us, promoting everything under the sun, from hosiery to war bonds, presidential candidates to rock shows. Great American Billboards not only offers a lively look back at changing styles, products, and tastes, but is also an important visual record of this largely unheralded yet ubiquitous American art form.

Available from Ten Speed Press.

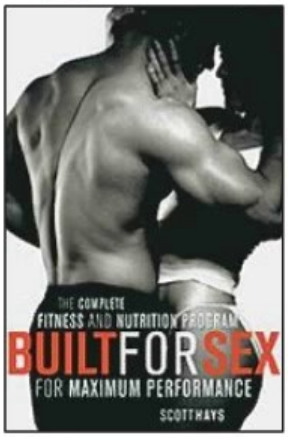
HOW CHICKS THINK
Em & Lo's Rec Sex: An A-Z Guide to Hooking Up



Why should a guy buy this book? 'Cause it's like eavesdropping on a couple of hot chicks while they're talking about sex. Even when the book is being humorous, believe me brother, there's a lot of truth in dem dar words. That's the real reason to buy it! Here's why the publishers want you to pick up this pulp.

The lovely sex advisors of Nerve.com are back! Amassing knowledge from years of counseling the sexually curious and courageous, Em and Lo now offer this essential guide to playing the field. With over 350 hilarious alphabetically listed entries and saucy illustrations, Em & Lo's Rec Sex covers all the bases of free love — B is for booty call, E is for equal opportunity objectification, F is for friends with benefits, S is for STDs, Z is for... (well, no, that would give away the ending). At long last, here are answers to age old questions like, How do I know whether I'm dating or just hooking up? What's the difference between comfort sex and a mercy fuck? Would a true wingman ever engage in cockblocking? When does a booty call become an um, friend? And most importantly, can you do-over a play-d'oh? Em and Lo define the terms, classify the information, and generally shed light on all the naughty things you do. Armed with Em & Lo's Rec Sex you'll never again have to ponder: If I improve my play-dar, can a cuddle party lead to some dry humping? Available from Chronicle books.

SEX MACHINE
Built for Sex
by Scott Hayes



Not every man wants to exercise. But just about every guy wants to have better sex. Well, now thanks to a easy four-step physical and nutritional fitness plan found in the book *Built For Sex*, it is attainable. This simple but revolutionary program is anchored in a series of scientific studies that prove conclusively that men who commit to a moderate amount of exercise four times a week can expect substantial sexual benefits.

This book concentrates on the premise that exercise alone will improve blood flow and boost testosterone levels to deliver increased sexual endurance, strength, and flexibility; but attention to proper foods, herbs, vitamins, and supplements can actually enhance those benefits, transforming a man into a veritable lovemaking machine someone who is indeed built for sex.

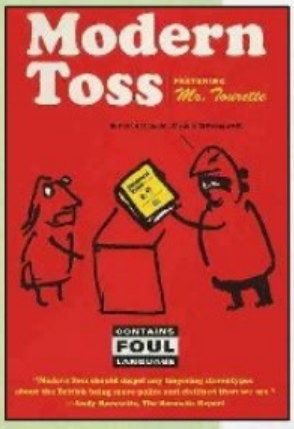
So get off your butt and jog on over to the local book store to pick up a copy. Available fro Roedale Books.

A REAL SUPER BOOK
Masters of the Comic Book Universe Revealed!
by Arie Kaplan

This informal history of the comic book chronicles, largely in their own words, the lives and careers of the artists and writers who created the most significant and memorable comic books and graphic novels. Stretching from Will Eisner, who started his work in the industry in 1936, to Marjane Satrapi, whose latest graphic novel was published last year, 11 comic book masters are discussed, including Art Spiegel- man, Neil Gaiman, Stan Lee, Dwayne McDuffie, Kyle Baker, and Ho Che Anderson. Amazing stories of how these artists and writers fell in love with the genre and built up their careers are coupled with never-before-disclosed anecdotes and previously unpublished self-portraits that will surprise even the most knowledgeable fans.

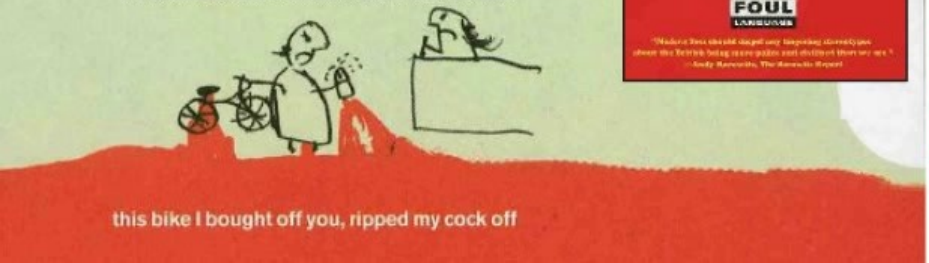
Available from Chicago Review Press.

WANKERS!
Modern Toss



The UK's answer to Red Meat, *ModernToss* is a great book of irreverent, bizarre and hilarious cartoons. If you had any lingering notions that English humor was far too high brow for us Americans, think again. Just take a look at the cartoon we've pulled out for your viewing pleasure. This is a funny, funny book.

Available from Simon and Schuster.



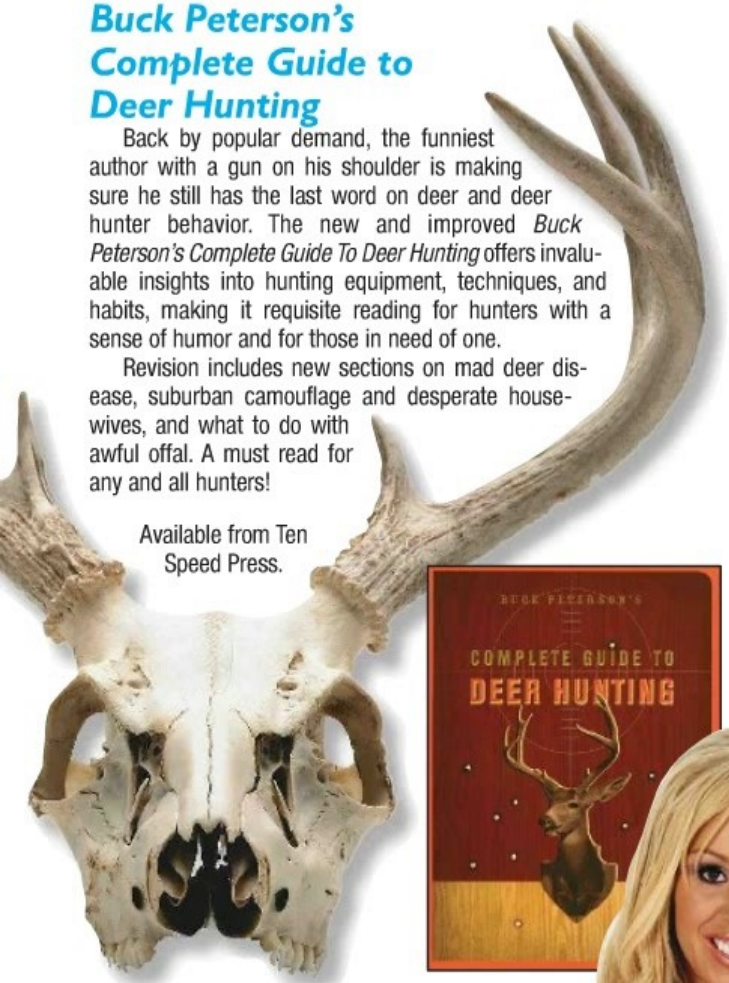
LOOK! A DEER! BANG!

Buck Peterson's Complete Guide to Deer Hunting

Back by popular demand, the funniest author with a gun on his shoulder is making sure he still has the last word on deer and deer hunter behavior. The new and improved *Buck Peterson's Complete Guide To Deer Hunting* offers invaluable insights into hunting equipment, techniques, and habits, making it requisite reading for hunters with a sense of humor and for those in need of one.

Revision includes new sections on mad deer disease, suburban camouflage and desperate housewives, and what to do with awful offal. A must read for any and all hunters!

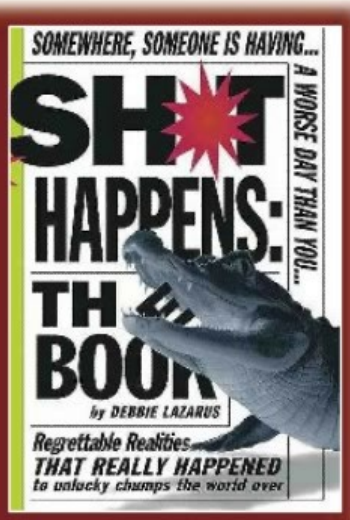
Available from Ten Speed Press.



BETTER LUCK NEXT TIME!

Sh*t Happens: The Book

By Lazarus



The lure of the morbid. The fascination of really bad news. The strange thrill of things going spectacularly wrong. Tragic, sensational, spine-chilling, and addictively entertaining, it's The Darwin Awards meets The Stupidest Things Ever Said. In story after story we meet the star-crossed, the extremely unlucky, and the fatally foolish. Sure—it's grim, sometimes ghastly. But isn't it nice to know that someone, somewhere, had a worse day than you?

Available from Workman Publishing..

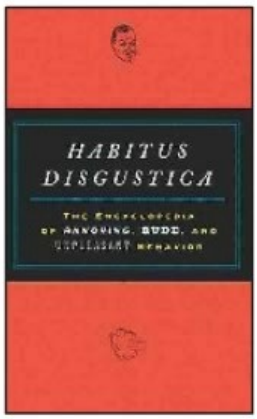
OH, HOW UNCOUTH!

Habitus Disgustica

by Ian Whitelaw

At first glance, this reference source, with its scientific, analytical tone and practical, straightforward diagrams seems respectable enough. Upon closer examination, *Habitus Disgustica* is really a deadpan ode to about every unpleasant, rude, and downright disgusting habit known to man and woman.

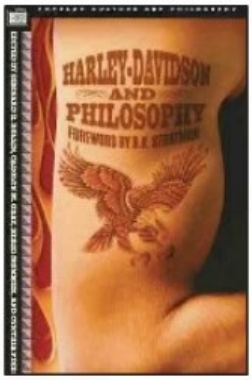
Through statistics, science, history, and culture, Habitus Disgustica dissects and analyzes the entire range of deplorable behavior in double-page spreads that include detailed entries on biting fingernails, spitting in public, making rude hand gestures, and breaking wind (loudly and quietly), as well as over forty other voluntary and involuntary practices. The perfect gift for slovenly friends and brothers-in-law, *Habitus Disgustica* offers something for everyone to learn about — and be offended by. Available from Penguin Books.



HOGS & HIGHER LEARNING

Harley-Davidson and Philosophy

Beyond the chrome and the leather, beyond the wind in the face, beyond the harmonious yin and yang of Top Dead Center and Bottom Dead Center, there lies the open road of philosophical exploration, the endless hurtling of the intellect into fresh vistas of understanding.



Here, 12 diehard bikers who also happen to be philosophy professors share their love for the ride and their love for the pursuit of wisdom. Why do we imagine that riding a motorcycle makes us freer than driving a car? Are the bikes themselves the real stars of Easy Rider? Is Motorcycle Syndrome a medical deployment of sexuality? Did Jesus ride a Hog into Jerusalem? Is there an ontology of suicide machines and what could we do with it?

What would John Stuart Mill have thought about compulsory helmet laws? Do Harleys really belong in art museums? Interesting questions with fascinating answers. Available from Open Court Publishing.

SEX SECRET REVEALED!

HOLY SHIT!
3 Times in One Night?!

"His cock was so completely HARD & BIG. And his staying power was INSANE."

SECRET "Sex Serum" Exposed!

Are you the type of guy that women brag about - THAT "One Guy", the one that "rocked her world"? Now be honest, is that guy you? If not, I may have the secret answer that's been apparently keeping the "industry" guys at the top of their game for years. Check out this letter I received (from a chick none the less).

To the Editor: I don't usually write into magazines (especially mags like this), but after uncovering this amazing secret, I just had to blow the whistle on this stud. I know every girl says this, but I've only been with a handful (ok, maybe two handfuls) of guys sexually. And to be honest, a one night stand is a pretty rare occasion for me. But after partying with this guy for a couple of hours and grinding up against him I just had to get a glimpse at what this guy was packing.

Well, after heading back to his place, let's just say it got a little crazy. He made all the right moves and the sex that followed may have actually destroyed it for every other man! His cock was so completely hard and BIG. And his staying power was insane. Holy shit! I must have had 5 or 6 orgasms after being ravaged 3 times in one night. Now I've been with a couple of guys that performed well in the past. I know one of them was using Viagra, and the other a topical called Maxoderm (which also works pretty well). But hands down this guy was the "champ", I mean he performed sexually like a pro! So between the size of this guy's unit and the fact that he pounded me for nearly 4 hours, I just had to ask what this super stud was using to rock my world.

Well, after bribing him with some return "favors" he finally fessed up. Surprisingly enough, it was also a topical (like Maxoderm, but better). He referred to it as his "secret sexual serum", better known as **PROMAGNUS**. And, get this, my super stud also owned up to being an adult film star!! He claims that he'd never be able to perform at his job without the help of **PROMAGNUS** and that it maximized size while helping him to "recover" faster and do it more often (I'll say!). He even said that ALL male stars he knew in the industry use it – "What do you think, we have the super human ability to fuck like that naturally?"

So next time you think that these "super" studs are plugging away on screen with little or no help THINK AGAIN! They obviously need help like everyone else. So now the secret is out of the bag! I recommend **PROMAGNUS** to any man looking to perform like a porn star. I know that I'll never let any man that I'm with have sex without it again .

Alexa – from Vegas

READER'S NOTE

P.S. Promagnus actually offers a 120 Day RISK FREE Trial. They will even give you the **FIRST MONTH ABSOLUTELY FREE.** So, do what my guy did – take the first step toward sexual performance and call **1-800-419-3865** or visit **www.promagnus.com/swa.** With a **100% Money Back Guarantee** you've got nothing to lose!

Individual results may vary. These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.
